THE KEEP OF BARNABAS LANDING

The Comms Writers are on Strike due to conspiracy and dissent within the Keep Comms Staff and Company.

There will be no article today and forevermore.

All Conspirators will be charged to the Highest Degree.

They will find Justice.

Signed, the Editor.

Due to a violent altercation between Comms writing staff, Frances, the cover illustrator is writing the article this week. The rumours are true.

After another brilliant and successful meeting, the Comms staff pitched our newborn babe of an idea to [REDACTED]. It was promptly shut down.

With our misaligned schedules we were not able to call another meeting to recoup.

This censorship has left us all individually grappling with the question, who are we?

A newspaper? A propaganda pamphlet? A [REDACTED]? A pillar of the community that crumbles from a gentle blow? I don't know.

Yeah, the alien.

A second officer, who had been sitting in the back of the car, stepped forward and asked the woman if she was the person who had been in the car on the night of the murder. She replied that she was. The officer then asked her if she had any other information.
